Madam/Sir,

Subject: Inviting nominations for course on "Financial Intelligence and Investigations" for Officers of CBIC from 17.09.2018 to 28.09.2018 at IIM, Bengaluru-reg.

The modern globalized economy and new technologies of financial transactions have created new vistas in the area of financial crime and fraud, rooted in cross border transactions. The recent trends of Customs duty evasion and illegal export cases indicate that the perpetrators of such frauds have moved from the traditional methods of using the financial institutions by creating a web of frontline companies. Criminal elements, including those involved in illicit Narcotics trafficking, have also started using Banking channels for remitting their money to and from India. Not only do such transactions inflict heavy damage to the economy but the ill-gotten money could also be laundered to be a threat to the national security.

2. In order to fight these challenges, a need was felt for imparting specialized training for cutting edge level officers to be trained in such modern financial technologies/instruments, accounting methods, international monetary exchanges, modern financial mechanism such as internet based currency, Transfer pricing etc. so as to enable them to identify and investigate such transactions in a more meaningful manner.
